Dr. Jonathan Nicozisis DMD, MS has been in the specialty of orthodontics in Princeton, NJ since 1999, completing his dental education at the University of Pennsylvania before attending Temple University for his certificate in orthodontics. Dr. "Nic" has given over 350 National and International lectures including multiple Invisalign Summit Meetings for orthodontists. Dr. Nicozisis is a Top 1% Diamond Invisalign Provider who has treated thousands of patients with the Invisalign system including hundreds of teen Invisalign patients.

Chris Bentson has been working with orthodontists regarding the business aspects of their practices for over twenty-five years. He is currently President of Bentson Copple & Associates, and serves as Editor-in-Chief of the Bentson Copple reSource, a quarterly newsletter focused on the business aspects of running a successful orthodontic practice. Over the course of Chris' career, he has personally visited over one thousand orthodontic practices in the United States, Canada, and Australia.
